You can get more information about how to exercise your rights and any costs that we may charge for materials by contacting the Umpqua Health Compliance & Privacy Office.

1. *Request Restrictions.* You can ask us in writing to limit how we use or share your health information for treatment, payment, or our operations. We are not required to say "yes" to your request, and we may say "no" if it would affect your care. Please ask a staff member for the Request for Restriction of Health Information form.

If you or someone else, other than your health plan, pays for a procedure, service, or test out-of-pocket and in full, you can ask that we not share that information with your insurer for payment or health care operations purposes. We will say “yes” to your request, unless the law requires us to share that information.

2. *Access.* You can ask to see or get an electronic or paper copy of your medical record and other health information. We will provide you with a copy or summary of your health information, usually within 30 days of your request. We may say “no” to your request in certain circumstances, but if we do, you may ask that the decision be reviewed.

3. *Amend.* If you believe your health information is incorrect or incomplete, you can ask us in writing to correct the information. We may deny your request in certain circumstances, but we will tell you why in writing, usually within 60 days of your request. Please ask a staff member for the Request for Amendment of Protected Health Information form.

4. *Accounting of Disclosures.* You can ask us for a list of when we shared your health information, who we shared it with, and why. We will include all disclosures except:

- Disclosures made for treatment, payment, and our operations;
- Certain other disclosures, such as disclosures made to you or made with your permission; and
- Disclosures made more than six years before your request.

5. *Confidential Communications.* You can ask us to contact you in a certain way or at a certain location. For example, you may ask us to contact you at work or by mail. We will consider all reasonable requests, and must say “yes” if you tell us you would be in danger if we do not.

6. *Notice of Privacy Practices.* You can ask for a paper copy of this notice, even if you agreed to receive this notice electronically.

Notice of Breach. We must provide you with written notice if we discover a breach that may have compromised the privacy or security of your unsecured health information.

We can change the terms of this notice, and the terms will apply to all health information we already have about you, as well as any information we receive in the future. The new notice will be available on our website, in our clinics, and upon request.
